ABOUT ME

HELLO THERE!

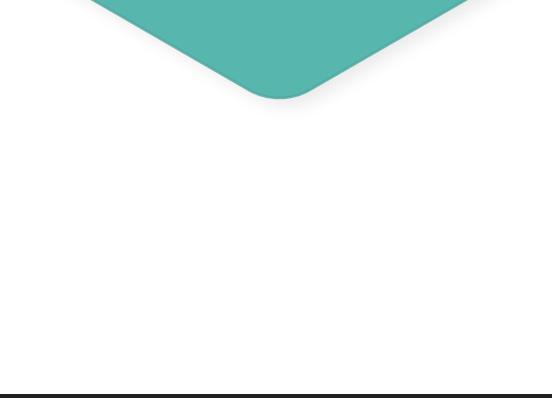

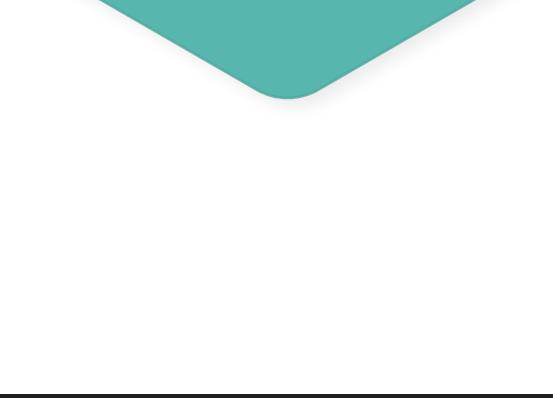

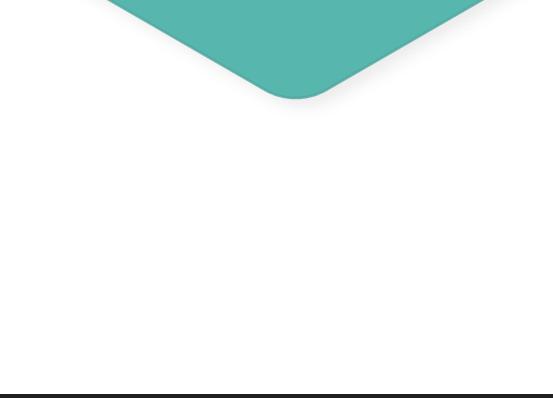

My name is **Loi Pham** and I have been doing **web development** since 2017.

I specialize in **React** and its ecosystem for the **Front End** and **NodeJS** for the **Back End**.

I'm constantly adding more tools under my belt as I continue my journey developing websites and apps.

VISIT SITE >

I was contracted to work with a UX design team to solely develop a website for a local, small business, The Clever Accountants.

The homepage features a dark blue header with the company logo and navigation links: Services, Pricing, About Us, and Contact Us. Below the header is a large banner with the text "THE CLEVER CHOICE FOR SMARTER FINANCIAL DECISIONS". A subtext below states: "We offer competitive services at competitive pricing and financial transparency to help you with your bookkeeping, accounting, tax preparation, and business planning." A "Learn More" button is located in the bottom left corner of the banner. To the right of the text is a photograph of a man in a light blue shirt holding a tablet.

A mobile phone screen displaying the website's mobile version. The top half shows the same banner as the desktop version. The bottom half features a section titled "Why Work With Us" with two icons: "Competitive Pricing" (three dollar signs) and "Transparency" (a document with a magnifying glass). Below each icon is a brief description: "We will make sure to provide you and your" under "Competitive Pricing" and "You will always know where your money and" under "Transparency".

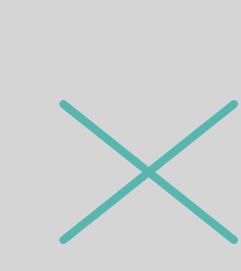

The pricing page features a dark blue header with the company logo and navigation links. Below the header is a large banner with the word "PRICING" in white. The main content area is titled "Packages" and contains four pricing plans: Basic (\$250/mo+), Professional (\$375/mo+), Premium (\$500/mo+), and Elite (Request Quote). Each plan includes a summary of what it covers, a list of included services, and a "Book This Package" button. At the bottom of the page is a section titled "For Specific Services" with a "Contact Us" button. The footer contains links to Operation Hours, Services, Pricing, About Us, and Contact Us, along with social media icons and a copyright notice.

Two hand-drawn wireframes illustrating the user interface for account management and list editing.

Left Panel (Account Page):

- Navigation bar: Home, Account, Lists, Logout.
- STATISTICS section: Total Numbers of Lists: 5, Total Numbers of Restaurants: 11, Total Numbers of Items: 7, Current Numbers of Shared Links: 0.
- ACCOUNT SETTING and SHARED LINKS sections.
- A large cloud-shaped callout says 'Let's Eat!'.

Right Panel (Edit List Page):

- Section title: Edit Your List.
- Input fields: 'Good for family' and 'Fun for the whole family'.
- Text: '+ upload new image'.
- Save button.
- Small preview of a list card at the bottom.
- Navigation: TOP and a back arrow icon.
